March has always been my favorite month. Of course, it is my birth month so that has been a big part of it, but it is also the beginning of Spring. As a child in North Carolina, March brought an end to winter; and if Easter fell in March, I could start going barefoot. Mom's rule was you could only go barefoot outside from Easter until Labor Day. I rarely wore shoes except to school and church until I was 7 or 8. Some of you remember the good old days a kid could go to the grocery store barefoot. All this to say, I have always looked forward to the month of March.

This year, I look forward to March for another reason other than warm weather, my birthday, flying kites and running barefoot through the grass. I will be taking a week off and going to Normandy, France. Derek Herlocker and I will be touring the D-Day battlefields, visiting lots of museums and enjoying the history and culture of this area. This area is important to the history of the world; it was the turning point in World War II and the final resting place for so many of our American soldiers. Those who stormed those beaches are American heroes. Their sacrifice is why we still have our freedoms, including our freedom of religion.

I look forward to paying respect to those who are buried there and seeing places I have studied for so long. While I am away, Ron Nordan will be preaching in my absence and doing Sunday night Men's Bible study. Rob Hobby and our deacons will handle any needs of our congregation. I will have cell service and will be able to pray with anyone and minister even though I will be an ocean away. Please pray for us as we travel and as always you will be in my prayers.

As always, I love being your pastor!

Pastor Paul Fulton

Hello Church Family!

The month of March is finally here! It seems as if January and February have crept along. It surely has been a tough year so far, but let us not forget what David says in Psalm 63:3-4, "Because your love is better than life, my lips will glorify you. I will praise you as long as I live and in your name I will lift up my hands." This passage has been a blessing and reminder to me about where my focus should remain.

We want to extend gratitude for your continued prayers and support for our youth ministry. Your love and encouragement have been a true blessing, helping us guide our young people in their journey. Please keep our youth in your prayers as we strive to foster their spiritual growth and deepen their relationship with Christ.

Summer Camp Preparations: As we prepare for our annual summer camp, please note that the final payment of \$350 and forms are due by May 7th. We're praying for a week filled with spiritual growth and unforgettable memories.

From our hearts to yours, we pray for a blessed March filled with God's grace and the joy of His presence.

In Christ,
Stephanie Herlocker

Notes from Rob

Sunday, March 23rd will be an exciting day here at our church. On this day we will honor our choir with CELEBRATE CHOIR DAY at FBC Homerville. This church has a long, rich tradition of choral music that has blessed our services, and we want to celebrate it! I am asking ALL present and former choir members to join us for rehearsal on Wed., March 19th and sing with us on the 23rd. I am expecting to fill and even overflow the choir loft that day.

2 Chronicles chapter 20 is one of my favorite Bible passages, for there it relates how King Jehoshaphat appointed the choir to lead out in battle IN FRONT OF the army. Wow! These singers were armed only with the power of God as they lifted their voices. Save for holy protection, they were defenseless as they marched, yet they moved out in song. Verse 22 reads, "The moment they began their shouts and praises, the LORD set an ambush against the Ammonites..." and the enemies were routed.

On March 23rd we will celebrate our choir, lifting up "Honored, Glorified, Exalted" with our students and adult choir members, and His praise will ring joyfully through our building. I hope you can join us that day, and I look forward to seeing you this Sunday *"With a Song in Your Heart!"*
